Professional Summary

Computer Science Engineering undergraduate with a strong foundation in Java development, object-oriented programming, DBMS, and problem solving. Eager to contribute on real-world software projects, enhance technical skills and add value to innovative development teams through continuous learning and adaptability.

Technical Skills

Languages: Java, SQL, HTML, CSS, JavaScript

Tools: GitHub, Android Studio, VS Code, Maven

Databases: MySQL, Firebase Realtime Database

Core Concepts: OOP, DBMS, Data Structures and Algorithms, Problem Solving

Familiar With: Spring Boot, REST APIs

Education

S.A. Engineering College, Chennai

2022 – 2026

Bachelor of Engineering in Computer Science and Engineering

CGPA: 8.2

Sri Arunachala Matric Hr. Sec School, Cuddalore

2021 – 2022

Higher Secondary Education

82%

Experience

uLektz Learning Solutions

2025

Full Stack Java Developer Intern

1 Month Internship

- Gained exposure to full stack development concepts and Java-based application workflows.
- Worked with programming fundamentals, debugging, and database integration concepts.

Projects

Smart Attendance System | *Java, Android Studio, Firebase, MobileFaceNet*

2025

- Developed a face-recognition-based attendance management system with secure Wi-Fi authentication.
- Implemented role-based authentication using Firebase Authentication and Realtime Database.
- Integrated cloud database management for attendance and session tracking.
- Used 128-dimensional face embeddings for accurate real-time recognition and proxy prevention.
- Generated attendance reports and maintained structured cloud-based student records.

Face Detection & Recognition System | *Python, OpenCV*

2024

- Built a real-time face detection and recognition system using OpenCV and LBPH algorithm.
- Preprocessed image datasets to improve recognition accuracy for multiple users.
- Implemented Haar Cascade classifiers for efficient face detection in live video streams.

Certifications

- Programming in Java – NPTEL
- Cloud Computing – NPTEL
- Pearson MePro English Certification – Level 10
- Web Development Workshop – IIT Madras

Achievements

- Won 2nd Prize in IEEE Hackathon conducted at college level.
- Completed Full Stack Development Workshop conducted by IIT Madras.
- Represented district-level tournaments in Chess and Carrom competitions.

Languages Known

- Tamil
- English
